Responsibility Statement

Your insurance is a method for you to receive reimbursement for fees you have paid to the optometrist for services rendered. Having insurance is not a substitute for payment. Many companies have fixed allowances or percentages based on your contract with them and do not with our office. It is your responsibility to pay in advance for the deductible, coinsurance, or any other balance not paid for by your insurance. We will assist you in receiving reimbursement as much as possible, but you are responsible in advancement for your bill.

Financial Responsibility

By signing this statement you agree to be financially responsible for all charges.
